

Newt Knight Preservation Society, LLC
Accident Waiver and Release of Liability

In exchange for the opportunity to visit property (“the premises”) owned by the Newt Knight Preservation Society, LLC (the Owners) I hereby acknowledge and agree to the following:

- I acknowledge that the Owners owe me no duty of care and that I am visiting the premises at my own risk. The Owners have no obligation to maintain the premises in any particular condition for my visit.
- I acknowledge that there are risks to myself, my vehicle, and to my personal property associated with traveling to and across the premises. Such risks include but are not limited to any damages, accidents or incidents caused by the weather, the temperature, the terrain and facilities at the premises, the conditions of the premises, traffic to and from the premises and at the premises, third party visitors to the premises, and my own personal condition. I further acknowledge that visiting the above described premises may expose me to risks from insects, plants, or animals that may cause personal harm to me or the participants around me. I hereby certify that I am physically fit to visit the premises and I assume all of the risks that may arise from my visit to the premises, including but not limited to the risks specifically identified above.
- I acknowledge that liability may arise to the Owners by virtue of their ownership of the premises, by their negligence or carelessness, or through no fault of their own. I waive and release any claim against them for any and all accidents, deaths, damages, disabilities, injuries, thefts, or losses that may occur to me, any minors under my care, my vehicle, or my personal property while at the premises.
- I agree to indemnify the Owners for liabilities or claims arising as a result of my actions during my visit to the premises. I further agree to pay for any damages I or any minor under my care may cause to the premises during my visit.
- I understand that I have permission to visit property owned by the Newt Knight Preservation Society, LLC, only, and that I have no permission to be on property not owned by the Newt Knight Preservation Society, LLC. If I enter onto any property not owned by the Newt Knight Preservation Society, LLC, I do so at my own risk and I agree to waive and release any owners of those properties as fully as I do the Newt Knight Preservation Society, LLC.
- This Accident Waiver and Release of Liability form should be construed broadly to provide a release and waiver to the Owners to the maximum extent permissible under Mississippi law. Any ambiguities are to be construed in the light most favorable to them.
- I further acknowledge that I was under no duress to sign this form and have been given a reasonable opportunity to review it. I understand its contents and agree to them in full.
